

SUNSHINE ALPINE RACERS REFUND POLICY

Due to the fact that the SARS is a non-profit organization, finances can be very tight on a year-to-year basis. Providing reimbursement to racers who are injured or not able to participate can place the club in an untenable financial position of not being able to pay expenses. As a result, no refunds will be provided to racers or their families for coaching fees, raffle tickets, dryland, FIS registration, or other monies that are non-refundable to the club. Unused portions of race deposits are refundable to athletes.
